About treatment

Did you forget to ask your medical team a question? Here is a list of the most commonly asked questions by patients and carers.

Remember – don't be afraid to ask. Why not tick next to the questions you may feel relevant.

- What types of treatments are available to me?
- What other options are available to me?
- What if the treatment doesn't work?
- What if I refuse treatment?
- What is the expected outcome of my treatment?

- How will the treatment affect my life?
- How will the treatment be given to me?
- How long will I be in hospital?
- How long does the treatment take/last?
- Do I have to stay in hospital the whole time?

- What are the side effects of treatment?
- How long will the side effects last?
- What is chemotherapy?
- What is a Hickman line?
- What drugs will I be taking and how often?

- Is there anything I can do to prevent hair loss?
- If I lose my hair will the NHS provide me with a wig for free?
- Will my hair grow back?
- I don't have transport – how will I get to hospital?
- Can I still go on holiday abroad during or after treatment?
- Can I continue to drink and smoke?
- Will the nausea and sickness last for a long time?
- Will my immune system recover?
