

# September is Blood Cancer Awareness Month

Fatigue

Feeling  
breathless

Joint or  
bone pain

Fever

Bruising or  
bleeding

Sleeping  
problems

Can you  
#SpotLeukaemia?

Go spotty this September and  
show your support for  
#SpotLeukaemia

**Leukaemia** is a cancer of the blood  
that affects people of all ages.

**Leukaemia** is often diagnosed late  
because symptoms are not well  
recognised.

Early diagnosis saves lives
